Motion: Juniors riding with Seniors as per age category in MOMS. Seniors voted no unanimously by show of hands.

Junior Track Time on larger capacity bikes – Development Class (demonstration). The capacity is to be determined for 13-U16 Years (see MOMS 9.8.0.10 c) Page 63. Support of this will determine viability of future race class. Fee \$25 for development session – maybe use lunch session as track time and at end of racing on Saturday. A minimum of 1 session to be run - maybe 2 sessions, dependant on event schedule. Riders to be endorsed appropriately – not to be run at State Championships, run at next Club round at Lismore. This is a new format and to be monitored for inclusion in events.
