CLASSES

Dirt Bikes and Road Bikes riding together. Discussion on the bikes riding together in RR Lites and RR Open. Neville C suggested a new class “Open – Up to 500cc” Road Race or Dirt Bike 2 or 4 Stroke, single or multi cylinder. This would give the option for Road or Dirt Bikes a second class to ride in for those who elect to do so and leave the RR Lites & RR Open for Road/Road Race bikes only. RR Lites and RR Open machines must resemble a silhouette of road or road race bikes. Depending on numbers in class – RR Lites and RR Open will be run together and scored separately – to be monitored.

Motion to change -

M Adamson 2nd – Neville C All in favour by show of hands – carried unanimously

Class information booklet to be changed to reflect above with Road Race Lites and Road Race Open to read machines must resemble a silhouette of road or road race bikes

Motion B Rankin – With the new Open Up to 500cc Class being introduced, allow Junior 400 class to ride in the RR Open class where Moms allow. – Motion not 2nd.
